

REALLY PRETTY PUREBRED REGISTERED FRIESIAN STALLION, RIDES AND DRIVES

\$ 25,000

Description

This is "HAGAN", the best, most gentle, well broke, civilized PUREBRED REGISTERED FRIESIAN STALLION that is broke to ride and drive. He is registered with the KFPS. He stands 15.2 hands tall and is 8 years old. This is one of the nicest FRIESIAN STALLIONS that I have ever been around. He is easy to handle, a true gentleman, and can be ridden and driven around other mares and geldings with no issues. He has impeccable ground manners for a stallion, he is obedient, and he aims to please under harness or tack. He has been driven in the hitch classes and shown, been through the cross country driving courses, and been driven to town. He is traffic safe, not spooky, and he rides confident out alone. He is a super trail horse that is sure footed, solid, and honest. He loves attention, he is personable, and likes to go for trail rides. He will cross deep water without hesitation, handle steep terrain with no issues, and walks out nicely on a loose rein. This stallion has lots of action, he is easy to ride or drive, and he is super comfortable. He has a nice lope, he will work a circles, he will catch his leads, and stop easily. He backs up and moves off of leg cues. He stands tied quietly, he loads, bathes, and hauls with ease. He is an exceptional stallion that is a purebred with a head full of sense. He is an easy breeder that has been pasture bred and hand bred. He can be hauled next to other horses without any problems.
