Description

This is "NIGHTSHINE", a gentle, easy to get along with BLACK MORGAN MARE that is broke to ride and drive. This mare is 4 years old and stands 14.2 hands tall. She has been trail ridden out in the deep timber and in rugged terrain. She is sure footed, rides out alone, and goes anywhere you ask her to willingly. She likes attention, gets along well with other horses, and has lots of heart and stamina. This mare will go through deep water, she is traffic safe, and fine with dogs trailing her heels. She has excellent ground manners, she stands to tack, harness, hitch, mount, and groom. She stops, turns easily, and backs up. She is a smart young mare with a head full of sense. She is mature for her age and lopes off with no hump and no buck. She also will unload in unfamiliar territory and ride off as if she has been there many times before. She is a great young Morgan mare that has her whole life ahead of her. View video at <https://www.youtube.com/watch?v=QWm9-ouABaU> call 304-238-4155 handrhorses
