Description

This is "BIG CHIEF", a unique, loud colored, nice moving, versatile, and seasoned BAY APPALOOSA PAINT CROSSBRED GELDING that is so comfortable and fun to ride. He has been ridden in the arena under English and Western tack. He rides nicely outside as well and is a veteran trail mount that is solid and honest. He will cross the deep water, go through the mud, up and down the steep hills, and through the stream beds. He lopes nice circles, catches his leads, stops hard, and backs up for any distance. He has been on the moonlight rides and on overnight camping trips. This gelding is sure footed and pays attention to his riders cues. He is confident and brave. He gets along well with other horses, he stands tied, bathes, loads, and hauls with no issues. He has also been in the pastures to check cattle. He is 15.3 hands tall and 10 years old. This gelding stands out anywhere he goes and whoever gets him will love how he rides. He is not only attractive and fancy, yet he is obedient, willing, and experienced. He's a horse that's the kind I want to take trail riding. He walks out nicely and stays cool in new and unfamiliar situations.
