Live bidding open now at www.platinumequineauction.com This is "WHITE SMOKE", a handsome, intelligent, gentle, and kind DAPPLE GRAY PERCHERON QUARTER HORSE CROSSBRED GELDING that has been ridden English and Western. He is an honest and reliable young horse that has had lots of outside riding miles. He has been ridden in the indoor and outdoor arenas. He lopes nice circles, he will one step lope, and catch his leads. He moves off of leg cues, stops on whoa, and backs up. This superb gelding stands 16 hands tall and is 4 years old. He is mature for his age and has been around lots of cattle, exotic animals, and other horses. He has been used to gather and sort stock in the pastures. He is fine with American Bison, Water Buffalo, Watusi's, and quick moving Zebu's. He will ride bareback, in just a halter, and he will pack saddle bags. This gelding can sort cattle and he is athletic when you ask him to be. He has a very nice way of moving, a smooth jog, and a collected easy to sit canter. He is very sweet and personable. He loves attention, gets along well with other horses, and is not spooky. He stands to be mounted, tacked, and groomed. He is fine with a mounting block. He is traffic safe and has been around dogs, side by sides, and tractors. This young gelding has an excellent foundation of training and has been used for ranch work. He will excel in any program and will make his new owners happy. You can ride him through a large tract of land with loose horses and buffalo running around and he never will go above a walk if you don't ask him to. He will only go as fast as you want him to. He is a good horse with a great future ahead of him. View video at <https://www.youtube.com/watch?v=jXF2QpsSXU&t=1s> call 304-238-4155 handrhorses
