Description

This is "CHOCOHOLIC", a family, beginner, and youth friendly naturally gaited CHOCOLATE ROCKY MOUNTAIN GELDING that has been shown, used for ranch work, and trail riding. This nice gelding is safe, honest, dependable, and super smooth. He has been shown in the country pleasure classes by novice riders and has brought home the ribbons. He has been trail ridden by beginners and children with no issues. He has one of the smoothest gaits I have felt on a gaited horse. He is extremely obedient, he goes anywhere you point him without hesitation, and he is seasoned and solid on the trails. He rides out alone, he is fine with dogs, side by sides, and trucks. He has excellent ground manners, he stands tied, loads, hauls, and bathes with no issues. He loves to go trail riding, crosses the deep water, and can he is very sure footed. He rides double, bareback, and in just a halter and lead rope. He is easy to steer and easy to stop. He unloads in new places and rides off as if he has been there many times before. His new owners will love him as he is truly a hassle free ride that makes it so enjoyable to get on him and go out riding. He has no buck and no hump. He is 15.2 hands tall and 14 years old. This gelding will take care of his rider. View video at <https://www.youtube.com/watch?v=PJ8n3gOi4wM> call 304-238-4155 handrhorses
