Description

This is "PABLO", a real well trained, super versatile, gentle, responsive, and intelligent BLACK ANDALUSIAN QUARTER HORSE CROSSBRED GELDING that has been shown English and Western. This gelding has had professional dressage training and also has had reining training. He is very light on his sides and will side pass, two track, and disengage his hindquarters. He has a nice turnaround, an easy stop, and he will back up for any distance. He has been in parades, been shown at the shows, taken home the blue ribbons, and been on the trails. He has been in the indoor and outdoor arenas. He has done the obstacle challenges and is fine with big tarps, bouncy balls, and all other things intended to be scary. He is not spooky and not reactive. He is a solid trail mount that is brave, confident, and seasoned out in the woods and through the deep water. He stands 16 hands tall and is 8 years old. He has also done all aspects of ranching, he has caught wild cattle, loaded trucks, been used at the brandings, and been used to gather and sort pairs. He is a really cool horse that rides around like you want one to. View video at <https://www.youtube.com/watch?v=qQqmOOoiD2M&t=2s> call 304-238-4155 handhorses
