Description

This is "NO MORE LEGACY", an extra gentle, quiet natured, nice moving, registered APHA BAY GELDING that has been ridden by novice riders. This gelding stands 16 hands tall. He has been ridden under English and Western tack. He has a very fancy way of traveling and he is easy to sit. He has a nice slow jog and if you ask him to he will move out in to an extended trot. He has a collected canter that is comfy. He will lope circles and catch his leads. He will move off of seat and leg cues. He is soft in the bridle and will break at the poll and ride low headed. He trail rides for anyone and will go through water quietly, up and down the steep embankments, and through the woods. He rides relaxed on a loose rein and is not spooky. He has been ridden through the pastures to check sheep and cattle. He has excellent ground manners, stands tied, loads, bathes, and hauls. He is a very nice young gelding that is DNA tested on his papers. He aims to please and has a pleasant personality. He is an intelligent young horse that is comfortable and kind.
