Description

This is "SHORTBREAD", a thick made, stout, muscular, well broke, gentle BELGIAN QUARTER HORSE CROSSBRED MARE that is broke to ride and drive. This mare is 15.1 hands tall and is 7 years old. She is very easy to ride and she will lope nice circles in and out of the arena. She has a big stop, she backs up, and rides out relaxed on a loose rein. She has been used to sort and gather cattle in the pastures. This mare will only go as fast as you ask of her. She is not spooky and is super confident out alone. This mare gets along well with others, she is obedient, and has excellent ground manners. She stands to tack, hitch, harness, and mount. She stands tied, loads, bathes, and hauls with no problems. She has no buck and no hump. She is personable and loves attention. This mare is attractive, has lots of chrome, and is a strong horse that can carry or pull a heavy load. She is sure footed and lots of fun to ride. View video at <https://www.youtube.com/watch?v=mVA0YBq2dGc> call 304-238-4155 handrhorses
