Description

This is "LADY AMEGO", a real intelligent, gentle, fancy traveling, REGISTERED BLACK MORGAN MARE that is broke to ride and drive. This mare is 10 years old and stands 15.2 hands tall. She is a solid and seasoned trail horse that will go through anything you ask her to bravely. She rides out alone with confidence and she walks out nicely on a loose rein. This mare has excellent ground manners, she stands to harness, hitch, tack, mount, and groom. She has been through the deep water, been in steep terrain, and around heavy traffic. She is not spooky, she is not marish, and she loves to go trail riding. She lopes off with no hump and no buck. She has been driven to town on the main roads. She will lope circles out in the big fields and she catches her leads. She has a big stop and is responsive. She has been in the back woods and through the thick timber. She is sure footed and fine with wild life, dogs, and side by sides. She has a nice stop, she backs up, and moves off of leg cues. She has heart, stamina, ride, and style. If you like the Morgan breed, here is a super nice mare. View video at <https://www.youtube.com/watch?v=vqX0ISAANvM> call 304-238-4155 handrhorses
