Description

This is "LITTLE RED CORVETTE", a real cute, flashy, responsive, and fun SORREL AND WHITE TOBIANO PAINT MOLLY MULE that has been trail ridden. This mule stands 13.2 hands tall and is 8 years old. She is a mule that moves out and has a nice run/walk that is comfy to sit. She has a nice jog and an easy to sit lope. She will cross the big streams, go up and down the steep hills, and through the mud and water without hesitation. She stands tied, loads, bathes, and hauls with no issue. She moves out and has tons of heart, stamina, and ride. She has been around traffic and is fine with passing vehicles. She has been ridden out alone and in groups with other horses and mules, she is fine either way. This fancy mule is not only loud colored and attractive, she can handle a mountain ride with an adult size rider. She is strong and stout for her height.
