Description

This is "BLACK CADILLAC", a GRANNY, YOUTH, AND BEGINNER SAFE, super smooth, naturally gaited, quiet, and extra seasoned BLACK MISSOURI FOX TROTTER MARE that ANYONE can ride or drive. This mare is exceptionally well broke, solid, and honest. She has been ridden by riders in their 70's and kids as young as 6 years old. She can be harnessed, tacked, mounted, and groomed. She has been used to teach novice equestrians how to ride and drive. She will not go any faster than what is asked of her and is safe for the youth and beginners to take out on the trails or on the roads. She is not spooky, she is traffic safe, and as sensible and civilized as they come. She rides out alone relaxed, cool, and calm. She has been hauled to many different places for camping trips, she has been to the hitch classes and shown by youth drivers, and she has been in the holiday parades. She rides double, bareback, in just a halter and lead rope, and packs saddle bags. She is 11 years old and stands 15.1 hands tall. This is the kind of horse that is very hard to come by. She has lots of miles and experience yet has plenty of years left. She makes going riding or driving a true pleasure. She is forgiving, patient, kind, and loving. She is a wonderful horse that the whole family can truly enjoy. Don't miss out if you need one that's been there, done that, and always stays sensible.
