

**BEGINNER, FAMILY, AND YOUTH SAFE BAY
MORGAN HAFLINGER CROSSBRED MARE,
RIDES AND DRIVES, SUPER GENTLE**

\$ 6,800

Description

This is "NOVA", an exceptionally gentle, family, youth, and beginner safe BAY MORGAN HAFLINGER CROSSBRED MARE that is broke to ride and drive for anybody. This mare has been used to teach students how to drive and ride. She has been shown in hitch classes by youth and novice teamsters, she has been trail ridden by beginners, and she has been driven through parades with lots of children in the wagon. She has pulled a four wheel wagon and a two wheel cart. She has been worked double and single to farm machinery. She will trail ride anywhere you want to go all day long. She rides out alone relaxed, cool, and calm. She stands 15 hands tall and is 14 years old. This mare is safe for the entire family. She stands to harness, hitch, tack, mount, and groom. She stops on the verbal command of whoa. She stands patiently, doesn't go any faster than what you ask of her, and she is traffic safe. She is not spooky, she unloads in new territory and rides off as if she has been there many times before. She loads, bathes, hauls, and stands tied. This mare is seasoned, extremely experienced, versatile, extra civilized, and safe. She is safe to use for the carriage rides, take in the parades, and let the novice riders ride and drive her.
