**Description**

This is "BLACK VIPER", a well trained, gentle, well mannered, versatile, and friendly BLACK PERCHERON WARBLOOD CROSSBRED GELDING that is broke to ride and drive. This nice big gelding stands 16.2 hands tall and is 13 years old. He has been there and done that. He has been ridden English and Western in the arena and has had dressage training. He has a nice headset, he moves off of leg cues, and stops on whoa. This gelding has also been out in the pastures to check cattle. He is sure footed on the rocky terrain and can handle the steep ground with ease. He is not spooky, he is traffic safe, and not reactive. He is safe, sane, and seasoned. He rides out alone with confidence, he walks out relaxed on a loose rein, and is not phased by wild life, four wheelers, or side by sides. He stands to be harnessed, hitched, mounted, and groomed. He bathes, loads, hauls, and stands tied. He is a really fancy mover that is smooth and easy to sit. He will work a nice circle out in the open. He is an honest gelding that is very user friendly and easy to get along with. He lopes off nicely and has nice lead departures.
