Description

www.handrhorses.com This is "BAKED POTATO", a calm, gentle, well mannered, and friendly SORREL QUARTER PONY GELDING that has been ridden by youth riders. This gelding has been out on the trails and will ride out alone with confidence. He stands 13.2 hands tall and is 3 years old. He is very mature for his age and easy to get along with. He has been ridden by novice riders without any issues. He has a super nice collected lope that is very easy to sit. He stops on whoa, stands patiently to tack, mount, and groom. He will cross the deep streams without hesitation and he is sure footed through the rocky and rough stream beds. He rides relaxed on a loose rein and will not go any faster than what is asked of him. He is traffic safe, fine with dogs, side by sides, and tractors. He is quiet natured and aims to please. He is a super nice young gelding that anyone can get along with.
