Description

www.handrhorses.com This is "AIR GLIDER", a super smooth, extra gentle, safe, family and youth friendly BAY MISSOURI FOX TROTTER GELDING that anyone can ride. This gelding is naturally gaited and has an easy to sit gait. He has been ridden by youth, novice, and timid riders with no issues. He is honest, will not go any faster than he is asked, and he is patient. He will walk out relaxed and calm on a loose rein. He will go anywhere he is asked with no argument. He crosses the deep water, he goes through the rocky stream beds, and up and down the hills with ease. He loves to play in the water and swim. He has a light neck rein and an easy stop. He stands 15 hands tall and is 14 years old. He has been used in the pastures to check cattle, he has been shown at the open shows by kids and beginners, and he has been ridden on the main roads. He is traffic safe, not spooky, and any level rider can get up there and get along with him. He will make you look like a professional even if you are not. He has no buck, no hump, and no silly business. He is civilized, very well broke, and not going to do anything out of the way. This is a great family horse, confidence builder, or lesson horse. He will teach you to ride. View video at https://www.youtube.com/watch?v=_Ejgtc5NX8 call 304-238-4155 handrhorses
