Description

www.handrhorses.com This is "GRACIE'S DELIGHT", a beginner, family, and novice friendly BLACK MORGAN PAINT CROSSBRED MARE that is broke to ride and drive. She stands 15.2 hands tall and is 14 years old. She is safe for the youth and inexperienced drivers and riders. She has been used for driving lessons to teach people how to drive. She is also very easy to ride as she rides low headed, relaxed, cool, and calm. She will not go any faster than you ask of her. She is traffic safe, not spooky, fine with dogs, side by sides, and four wheelers. She has excellent ground manners, she stands tied, loads, bathes, and hauls with no fuss. She stands to be harnessed, hitched, tacked, mounted, and groomed. This mare is a great confidence builder as she is solid, experienced, and seasoned. She is a nice mover with a smooth jog and a nice easy to sit canter. She will ride out alone, cross the water, and go in the deep without hesitation. She is a great mare to saddle up and ride or to hitch and go for a drive. View video at <https://www.youtube.com/watch?v=2zmCOBun4ug&t=255s> call 304-238-4155 handrhorses
