Description

www.handrhorses.com This is "CHOCOLATE CROWN ROYAL", a beginner, youth, and novice friendly CHOCOLATE ROCKY MOUNTAIN MORGAN CROSSBRED gelding that is broke to ride and drive. This nice gelding is smooth, easy to get along with, and will only go as fast as you ask of him. He is naturally slow legged and quiet. He has been used to teach youth and beginners how to drive and he has been through the cross country driving courses. He has been trail ridden by novice equestrians. He has a smooth gait and he will walk relaxed on a loose rein. This horse has more whoa than go. He is traffic safe, not spooky, and he stands to harness, hitch, tack, mount, and groom. He will go through the deep water under harness or tack. He unloads in new territory and will ride or drive off as if he has been there lots. He stands 14.3 hands tall and is 9 years old. If you want one for the beginner teamsters or the novice riders, check him out. He is a great horse for someone wanting to drive but needs a confidence booster.
